Hold Me Tight is a weekend workshop designed around seven conversations based on the Hold Me Tight book, all of which have been shown to be essential to successful relationships. You will learn how to understand and improve your relationship through presentations by the workshop leaders, private exercises and conversations with your partner and by watching video demonstrations of other couples.

Hold Me Tight is appropriate for couples who:

- want to connect more deeply
- want to get “unstuck” from their patterns
- are in established or new relationships
